REFERENCE:

- a. Memorandum from Chief, Management Staff dated 17 November 1955

1. Reference b. submits a revised T/O and proposed personnel ceiling of [redacted] This is [redacted] over the 31 July 1955 ceiling but only [redacted] over the ceiling approved as of 30 September 1955. This is shown in the table below:

2. The FY 1956 and FY 1957 budgets for IO have been reviewed in relation to the amount and number of positions budgeted and the cost of the ceiling proposed. The current obligations and rate of obligations compared to funds available indicated that adequate funds are available to finance the proposal during FY 1956. In FY 1957 some increases in funds will be necessary to finance the proposal. However, IO advises that this can be provided for in their operating budget for that year.

3. In view of this, there is no objection to the approval of the proposed T/O and ceiling, subject to approval of the ceiling increase within the overall DD/P ceiling.
